JANUARY 2023

NEW YEAR: NEW-ISH LOOK

Society for Conservation Biology:
Kingston Chapter

OUR TOP TIPS

1. Recycle clothes you already have
2. Look at thrift stores for cool finds
3. Only buy clothes that you'll wear multiple times, stay away from "micro-trends"

AMS COLLECTIVE CLOSET

Swap some old clothes for new ones! Run by QBACC and located in LaSalle room 103, you can get a whole new wardrobe on campus. Open Mondays 1-3pm and Fridays 4-6pm.

UPCYCLING

Give your clothes a make-over by upcycling them! Dye, cut or embroider to make old clothes feel new.

Have something you can no longer wear or use? Turn old clothes into a quilt OR make a tote bag out of an old tee shirt! You can even donate old bed sheets and blankets to your local animal shelter.

COMING UP WITH THE SOCIETY OF CONSERVATION BIOLOGY IN KINGSTON

- Our yearly succulent sale will be running in February.
- Want to explore the outdoors? Stay tuned for a snowshoeing hike with the S/I team.
- Our classroom visits are back! If you would like to sign up to help elementary school children learn more about sustainability, click [here](#).

Stay tuned for more information by following our social media:

WINTER COAT DONATIONS

This winter, consider donating your gently used winter coats to United Way KFLA. The Coats for Community drive will help distribute warm jackets to the vulnerable in our community.

Click [here](#) to donate.

United Way
Kingston, Frontenac,
Lennox and Addington
