...

Hey everyone!!! Some super exciting news!! We have both a 2/3 class interested in our Buzz on Bees program and a 1/2 class interested in our Water Cycle program! Both of these visits would be at Winston Churchill. We encourage everyone to poll and then we will consider both the times and days that are most popular as well as who has been to class rooms before when solidifying a date! We are very hopeful that everyone will get to go eventually so don't fret 🍷 🌱
